PATENTED Pat. # US 9,206,643 B2

Every day work is done where equipment needs to be able to take a beating and keep working. For the toughest jobs, choose the Cotterman® Super Duty Workmaster™ ladder. Built with extra heavy duty components, this ladder is resistant to all the dings and bumps in harsh work environments.

The Workmaster™ is also customizable with an array of features and options to adapt the ladder to specific work areas.

Essentially the Workmaster™ Super Duty Ladder can become a mobile assembly or repair shop for anything out of reach.

Two tone powder coat finish creates high visibility and can be ordered in an array of different colors.

For the toughest work areas, step up to the Cotterman[®] Workmaster[™] **Super Duty Rolling Steel Ladder.**

OPTIONAL FRONT SELF-CLOSING GATE

Self-Closing Safety Gates keep personnell fully enclosed and safe. Safety gates are available on either the front or rear of the Workmaster™

1.5" POWDER COATED TUBE HANDRAILS

For added stability and durability. 1.5" x 14 gauge steel handrails provide a sturdy, safe support while ascending or descending the Workmaster™ Super Duty Rolling Ladder.

7" x 10 gauge Stair Stringer

Provides an extra durable surface. Resistant to dents, dings and bending. Drastically increases overall work load and life of the Workmaster™ Super Duty Ladder.

STANDARD BACK **TOOL BOARD**

Standard back peg board.

24" X 24" PLATFORM (serrated tread shown)

• 1,000 lb. load rating.

• 59° climb angle.

Cotterman

WITH STANDARD TOEBOARDS AND 42" GUARDRAILS

• 11/2" diameter x 14 gauge tube construction.

(available for all 4 sides of platform).

Adjustable front legs level the ladder.

• Workmaster™ Super Duty ladders meet

applicable OSHA and ANSI standards.

• 24" x 24" platform with optional self-closing gates

• Two-tone powder coat finish creates high visibility.

HEAVY DUTY CASTERS CURVED BASE AND BACK PANEL AND BOLT LOCATION FOR **EASY ASSEMBLY**

Easily adjust Rubber Foot Pad to level the ladder or compensate for wear

2" x 2" x 5" **Adjustable Rubber Foot** Pad

Replaceable, Adjustable Front Legs Level the Ladder
